

tesseract_common::Status
Category

```
graph BT; A[tesseract_common::GeneralStatusCategory] --> B[tesseract_common::StatusCategory];
```

The diagram illustrates an inheritance relationship between two C++ classes. At the bottom is a box for `tesseract_common::GeneralStatusCategory`, which is shaded gray. A blue arrow points vertically from the top of this box to the bottom of a box above it. The top box is for `tesseract_common::StatusCategory` and has a white background. Both boxes have black borders and contain their class names in two lines.
