

tesseract_environment
::StateSolver

```
graph BT; A[tesseract_environment::OFKTStateSolver] --> B[tesseract_environment::StateSolver]
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'tesseract_environment' followed by '::StateSolver' on the next line. The bottom box is gray with a black border and contains the text 'tesseract_environment' followed by '::OFKTStateSolver' on the next line. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating an inheritance or specialization relationship.
