

tesseract\_collision  
/include/tesseract\_collision  
/bullet/tesseract\_collision  
\_configuration.h

```
graph TD; A["tesseract_collision  
/include/tesseract_collision  
/bullet/tesseract_collision  
_configuration.h"] --> B["tesseract_common/macros.h"]; A --> C["BulletCollision/Collision  
Dispatch/btDefaultCollisionConfiguration.h"];
```

The diagram illustrates the include structure for the tesseract\_collision configuration file. The top box, which has a gray background, represents the main configuration file. Two blue arrows point from its bottom edge to two separate boxes below. The left box contains the path to the macros.h file, and the right box contains the path to the BulletCollision configuration file.

tesseract\_common/macros.h

BulletCollision/Collision  
Dispatch/btDefaultCollisionConfiguration.h
